Though for the first time in her life on a show the former race mare NIL INCIPIT was showing off with her impressive trot enthusing the audience.

NIL INCIPIT originates from our successful N-Line and is actually together with her family representatives NAYA, NIL NAJADA, NIL NUBIA, NIL NOUZA and NIL NAFIZA the 6th Elite mare out of this line.

In terms of breeding, NIL INCIPIT is the result of a classical outcross combining the stallion lines of the Egyptian Nazeer and the French Denouste. Through her mother NIL NAJADA, the mare traces back 6 times to Nazeer and through her father Dormane 6 times to Denouste. NIL INCIPIT, probably worldwide the first cross of a straight Egyptian mare with a French Stallion, combines genetically Egyptian speed and toughness with French substance and stamina. The result of this combination was an outstanding sprint mare, placed twice at GROUP I level over 1'300 and 1'600 meter and black typed. In 2000 NIL Incipit was Champion Race horse of Switzerland and best 3-year old race horse in Germany.

Until today NIL INCIPIT produced 3 foals, two of them are in the age for racing and both are winners. Best progeny is NIL ISHAN IBN AL SAKBE, 2006 by Al Sakbe. At the age of three he won twice and was placed second on listed level at Zayed The First Arabian Cup in Frankfurt in 2009. Until now his race record contains 3 wins, 3 second places and 3 further places with a total win sum of CHF 22'000.-.
