The QR Marc daughter originates from our best female family, the N-Line of Nile Arabians, tracing back to our Egyptian foundation and Elite mare Naya, 1975 – 1993 by Kaisoon out of Nana. Already in 2010 as a yearling, NIL NIKINIKEE was honored “Best in Show” and “Best bred mare in Switzerland” with the highest total score of all presented horses at the 2010 Swiss National Show.

The unbeaten filly NIL NIKINIKEE represents the classical Nile type, stands out due to her elegance and her impressive movements. Her mother NIL NANA, 2003, by Extreme out of the Elite mare Nil Nouza was also unbeaten in the show ring winning the Swiss National Jun. Champion title in 2004 and got the highest score of all 1- to 3-year old horses at the Swiss National Stock Show in 2005.

Representing the 5th generation of our N-Line, NIL NIKINIKEE is the best reference for the quality and long term sustainability of this family. At the same show our 14-year old mare NIL INCIPIT by DORMANE out of the Elite mare NIL NAJADA was honored as new Swiss Elite Mare due to her own race record and the race performance of her progeny. As NIL NIKINIKEE, the broodmare NIL INIPIT is also a member of the N-family.
