

Nice Performance of Nil Karazi with apprentice Fanny Crausaz in the WATHBA STUD FARM CUP II, Miesau 26. August 2012

Ridden by our apprentice Fanny Crausaz, the 5-year old stallion Nil Karazi (Dormane x Kahloucha) was placed 5th in the Wathba Stud Farm Cup II, a race over 1'400 meters on turf with 11 horses in the field.

Unfortunately the winning Fanal El Samawi constrained Nil Karazi on the home straight and took him the chance to finish under the first three horses. The racing jury didn't change the ranking but compensated Nil Karazi with the fourth price money to be paid by the owner of the winner.

For our apprentice Fanny Crausaz it was only her 5th ride in her career. She gave Nil Karazi a good race following the instructions of the trainer Franziska Aeschbacher who was pleased with the performance of both.

In the same field Nil Karazi's sister, the 3-year old Nil Kebira (Dahess x Kahloucha) passed her second race. Ridden by Tim Bürgin it was a good experience for the young mare who finished unplaced.
