Like the year before the WATHBA STUD FARM CUP, a flat race over 1'800 meters and with a donation of CHF 8'000, was held under the umbrella of HH Sheikh Mansoor bin Zayed Al Nahyan, Deputy Prime Minister and UAE Minister of Presidential Affairs.

After the race there was running an inquiry by the stewards against the winning horse Terach El Samawi constraining second placed Nil Ashal at the home straight. The stewards decided to held in the same order in which the horses crossed the finish line but sanctified the rider of the winning horse with CHF 100.- because of a dangerous ride on the last 200 meters. Third and fourth placed horses were Senna OA and Blitters Plonja from the Netherlands followed by Sayf from Germany.
