NIL KHAZNAH (Kubinec x Nil Nouza by Gips) is already participating for the 5th time in the Arabian Trophy. 2010 she won the Trophy and in 2009, 2011 and 2012 she was placed second in the final ranking. Until today NIL KHAZNAH has an unbelievable race record of 5'871 kilometers. This outstanding performance made her to the most successful endurance horse of the Arabian Trophy during the last five years. Performing on this level over years was only possible thanks to the patient and knowledgeable training of her owner Ina Baader.

NIL KHAZNAH belongs to our N-line representing the 4th generation. Her first four dams, NIL NOUZA, NIL NUBIA, NIL NAJADA and NAYA were all awarded Swiss Elite mare due to her own performance

and the one of her progeny. Due to the fact, that this family produces concurrently international show, endurance and race winners, makes this female line exceptional.
