On May 26th the filly Nil Nemanda by Emerald J out of Nil Nana was born. She is a half-sister to the Champion mare Nil Nikinikee, 2009 by QR Marc. Nil Nemanda represents the fifth generation of our N-Line.

Nil Nemanda's father Emerald J, 2010 (QR Marc x Emandoria v. Gazal Al Shaqab) traces back twice to the sire of sires Gazal Al Shaqab, 1995 (Anaza El Farid x Kajora). The dam of Emerald J is the famous Triple Crown winner Emandoria belonging to the highly valuable Polish E-Line dynasty represented by such outstanding mares like Emanda, 1996 (v. Ecaho), Emanacja, 1986 (v. Eukaliptus) und Emigracja, 1980 (v. Palas).

Nil Nemanda's mother Nil Nana, 2003 (Extreme x Nil Nouza by Gips) is herself an unbeaten Champion mare in the show ring and in the meantime a proven brood mare. Her first daughter is the Champion mare Nil Nikinikee by QR Marc, a half-sister to Nil Nemanda. Nil Nikinikee won twice the title of Best in Show at the Swiss National Stock Show in 2010 and 2011. Her daughter Nil Nouta (Al Marid x Nil Nikinikee) won the same title as a filly in 2014. In Nil Nemanda's pedigree we consider the genetical focus to Gazal Al Shaqab combined with the Polish E-Line represented by the mare Emandoria as valuable enrichment of our N-Line.
