In the Prix Galop Suisse, a handicap race over 2'150 meters and a dotation of CHF 10'000.-, it was a tough fight between the 4-year old gelding Fordson and the 4-year old mare Alamance. At the finishing line Fordson was ahead by  $\frac{1}{4}$  length but carrying 5 kg less than the little mare Alamance. 2014 Alamance had one win, 2 second places and another 3 places out of 8 starts. The mare is trained by Franziska Aeschbacher, owned and bred by Angelika Muntwyler and well ridden by Silvia Casanova.

In the Prix des Jeunes Pousses, a race for 2-year fillies and colts over a mile with a dotation of CHF 9'000.-, Miss Spirit (Spirit One x Miss Lloyds) was running her second race. The filly performed very well with her second place only beaten by the favourite Clouds at Night, a full brother to Derby winner Fabrino, who came with a record of 1 place and 1 win out of two starts. Miss Spirit is trained by Franziska Aeschbacher and owned by Urs Aeschbacher. She finished as the best filly in the field of 8 horses.
