On 5<sup>th</sup> May 2016, Nil Aziz (Dahess x Nil Abiat) and Ainhua Djass (Dahess x Ainhua Syldjanie) were already competing against each other in German Hassloch over the distance of 7f. It was a hard fight and Nil Aziz had been beaten by a nose only. The 5-yrs. old Ainhua Djass is currently the second best race Arab horse in Germany with wins and places throughout Europe and gives us an indication about the value of young and inexperienced Nil Aziz.

Nil Aziz is leased to the Aebi family. From his three starts in 2016, he finished 5<sup>th</sup>, 3<sup>rd</sup> and 1<sup>st</sup>.

Nil Aziz is a half-brother to 8 times winner and black type stallion Nil Ashal, 2008 (Nil Bedouin x Nil Abiat) and he is the second foal in racing age of our broodmare Nil Abiat, 2001 (Darike x Kadjouna de Nerak). The mare Nil Abiat is representing our racing A-line. Up to now she has produced three foals, two in racing age and both winners.
