After his win in the MOUTAI CUP in Pisa last November, **NIL ADAMIS** (Damis x Nil Abiat by Darike) came back to San Rossore for competing in the Wathba Stallions Cup, a race for 4-year old and older horses over a distance of 2000 meters. As one of the favorites and foreign horse, his competitors had him on the radar. Despite several attacks in the first bend against him, he finally found his position. At the long home straight he started his attack from the mid field and was progressing better and better. Finally he crossed the finishing line in third position behind the stallions **AUNAR DE PINE** (Mister Ginoux x Razza di Gallura) und **AMOUR** (Filindeu x Tadasuni).

Home bred NIL ADAMIS is trained by Franziska Aeschbacher and was ridden by the Italian jockey Andrea Fele.
