

**TOPY'SIM, 3 yrs thoroughbred filly with a good first race out in Dieppe, France, 21<sup>st</sup> August 2024**

*Born and raised at the HARAS DU NIL, the 3 years old filly TOPY'SIM, bred and trained by her owners Audrey Lendel and Nicolas Guilbert was the only unraced horse in a field of 14 concurrents in this 3yrs old maiden race over 1400m. The concurrence was tough with horses owned and/or bred by Godolphin, Nurlan Bizakov, Haras de la Perelle and others. TOPY'SIM was behaving very professional and finished on the 4th place.*

Our congratulations go to Audrey Lendel and Nicolas Guilbert who are the breeders, owners and trainers of **TOPY'SIM**. She is the first foal out of the broodmare **TOP SENSATION** (Kouroun x Top Wave by Medaaly) by **SEABHAC** (Scat Daddy x Curlin Hawk by Curlin). We would like to express our thanks to Audrey and Nicolas for their confidence in the **HARAS DU NIL**, where their broodmare and foals live.

Since 2018, eight race horses born and/or bred at **HARAS DU NIL** have been racing. Out of these 8 horses, 7 are competitive and successful with a total of 5 wins and many places.
