In a field of 9 horses the 3-year old **KAMUN DU NIL** (Al Mamun Monlau x Nil Kamla by Dahess) was the outsider. Strongly favored were the 4-year old horses because of their experience and achieved results as for example a winner and Listed second placed horse in France.

After a good take-off **KAMUN DU NIL** was placed by his rider Christophe Dehens at 5<sup>th</sup> position where he remained until the final bend. On the beginning of the home straight **KAMUN DU NIL** attacked at the outside and passed the finish line with an easy win 2 lengths in front of the 4-year old **RAZA P** from Belgium and 6 lengths in front of the 4-year old **KADIRA DE CROATE** from France.

**KAMUN DU NIL** was the third and last foal out **NIL KAMLA**. Unfortunately, **NIL KAMLA** died 3 days after the birth of **KAMUN DU NIL**. Luckily, we found a nurse for the young colt which allowed him to grow up thoughtfully and naturally.
