

**Another win for the Kahloucha son MAIMOUN RS in Abu Dhabi, Abu Dhabi 12 April 2025**

**MAIMOUN RS is winning again in Abu Dhabi, this time impressively in a handicap race over 2'200 meters. On January 25<sup>th</sup> he was already winning over the same distance at the same track. MAIMOUN RS is a son out of our Tunisian foundation mare KAHLOUCHA, we sold her to Abu Dhabi in 2014.**

Racing under topweight, the 7-years old gelding **MAIMOUN RS** (Kong x Kahloucha by Zeidoun) wins easily in a field of 14 horses, crossing the finishing post by 5 lengths ahead of the second placed horse. After the start, his rider Sandro Paiva placed him on the last position in the field where he stayed until the final bend. In the final straight line **MAIMOUN RS** showed an impressive finish and was winning in superior style.

Proving his stayer qualities by winning three times over 2'200 meters he was also able to demonstrate his sprinter qualities when finishing on third place over 1'000 meters on 27<sup>th</sup> of March 2025 at the Al Ain race track. He got inherited this natural speed from his Tunisian mother **KAHLOUCHA**, a Group III winning mare in Tunisia and winning over the sprinter distance at the age of two.

With his win in Abu Dhabi his handicap increased from 75 to 85.

Congratulations to all involved for the good results of **MAIMOUN RS** during the last months.
